Democracy Law And Governance Studies

Democracy embodies responsive and responsible governance, rule of law, human rights, civic participation and peaceful transfers of power through electoral processes. Each of these underpins a peaceful and stable society. The U.S. Institute of Peace teaches democratic principles and democratization processes and techniques that are critical to both peacebuilding and effective governance.

Democracy & Governance | United States Institute of Peace

It has two goals—firstly to show why a sound theoretical approach to the concept of law results in opening up the theory oif law to the debate on governance in the social sciences.
