Jonas is the 7th book in K.F. Breene's Darkness series. I gave it 3 stars. I'd even go 3.5 stars if Goodreads allowed it. It could have easily been 4 stars (I rarely give any book 5 stars) as so much of the book is perfect as the

Jonas is one of my favourite characters from the Darkness series and the brief insight into why he's so surly and aggressive was a nice touch, as was seeing a slightly softer side to him. The book was a bit brief, obviously, because it is a novella size, but it still packed a decent punch.
