Mesolithic era. In the Neolithic era settled farming led to the construction of the first stone houses. There is also evidence from this period of large timber halls.

Housing in Scotland - Wikipedia

Throughout the 19th century and the first half of the 20th, Scotland's housing was generally cramped and unsanitary - without access to the conveniences we now take for granted. Whole families lived in just one or two rooms without basic amenities.

...

When it came to housework, sociologists found that men's willingness to assist with chores increased when housing design reduced the risk of being seen by others. Even when a number of commonalities existed between Scotland and the rest of the UK, a history of Scottish housing in the 20th century also comes with its own particularities.

as a landlord. In February 1997, Larkfield acquired 565 homes following a successful transfer from Scottish Homes. It now owns and manages a stock of 391 properties and provides management services to an additional 566 owners locally. During the last 20 years, Larkfield has invested over £8 million on improvement works to its ...

Larkfield celebrates 20th anniversary - Scottish Housing News

Our audit looked at how Scotland's housing sector works, how much public money is spent and what that money delivers. We assessed how well the Scottish Government and councils plan to meet Scotland's housing needs and the main challenges in the future. We were supported throughout the audit by our advisory group (Appendix 1). 6.
