The Locust And The Bee

The predator and the creator - the locust and the bee. Mulgan manages to distance himself from living in a capitalist world, and looks at it dispassionately, not just warts and all, but also at the overwhelming advantages and accomplishments. It is enormously fair. Mulgan is Lafayette

Description: The recent economic crisis was a dramatic reminder that capitalism can both produce and destroy. It's a system that by its very nature encourages predators and creators, locusts and bees. But, as Geoff Mulgan argues in this compelling, imaginative, and important book, the economic crisis also presents a ...
