Translate.com Portal

Translate.com has two translation options, such as machine and human translations. Select the best one for you based on your requirements. A machine translation is instant and translates your content directly to the language you've selected. Unlike a professional translation, it doesn't provide such things as context or tone of voice.

Free Online Translator - Translate.com

Free online translator enhanced by dictionary definitions, pronunciations, synonyms, examples and supporting the 19 languages most used on the web.
